

What can the person I name do?

1. Make health care decisions for you when you cannot communicate.
2. Admit or discharge you from any hospital.
3. Ask for, agree to, withhold or stop any type of health care.
4. Sign a contract for any health care facility on your behalf.
5. Serve as your personal representative when it comes to privacy laws.
6. Visit with you or go in an ambulance with you if they need to.
7. You can also give them permission to decide about things like organ donation.
