

TELNET Course: T2535 (Webinar)
Coding and Billing for Pharmacy: Issues and Answers

Target Audience: CEO, COO, CFO, CMO, all coding, billing and reimbursement staff, chargemaster coordinators, financial personnel, compliance officers, pharmacy and nursing staff, chemotherapy nurses, case managers, and all hospital personnel that are involved with pharmacy items including administration, charge capture, National Drug Codes, and Level II HCPCS codes

Date: October 13, 2009

Time: 9:30 - 11 am EDT

Faculty:

Duane Abbey, PhD, CFP
Abbey & Abbey Consultants, Inc.
Ames, Iowa

Duane Abbey is a management consultant and president of Abbey & Abbey Consultants. For over 20 years, Duane has provided healthcare consulting services to hospitals, physicians, and medical clinics. The focus of his consulting has been in the areas of compliance, payment, and delivery systems. In addition to his consulting, Dr. Abbey is an invited presenter for hospital associations, medical societies, and other groups. He also has published both articles and books on healthcare topics. Dr. Abbey earned his graduate degrees from the University of Notre Dame and Iowa State University.
