

Georgia Hospital Association

2026 Annual Sponsorship Program

Join the effort to create healthy hospitals and communities in Georgia!

GHA's Sponsorship Program offers valuable networking opportunities with hospital leaders and decision makers while supporting healthcare systems as they look to deliver quality care, drive operational efficiencies, and ensure financial sustainability for Georgia's hospital community. Our membership meetings and events allow sponsors the chance to deepen existing relationships and cultivate new connections within the healthcare community. Sponsorships are limited to maximize interactions with GHA member hospitals' decision makers and enhance the potential value of those interactions.
