

2026 Patient Safety Awareness Week Logo Contest: Get Your Entries Ready!

Create a theme and logo for hospitals to use during Patient Safety Awareness Week March 8-14, 2026.

Guidelines

Create and design an original theme and logo that encourage staff to engage with patients and families to implement practices that foster more patient-centered care and improve safety, communication, and care coordination.

- You may design your logo on the computer, or you may hand-draw your idea.
- All submitted logos must be completely original and developed by the individual submitting the logo, which means that the logo cannot contain any images or graphics (including clip art) that were not developed by the individual who submits the entry.
- By submitting an entry, the individual and facility grant GHA a perpetual, irrevocable, non-exclusive, worldwide, royalty-free license to: (i) use, make, sell, execute, reproduce, display, perform, prepare derivative works based upon, and distribute (internally and/or externally) the entry, its copies, and its derivative works; and (ii) authorize others to do any, some, or all of the foregoing.
- Create an abbreviated version of the logo to be used on a 1-inch x 1-inch lapel pin.
- You may submit up to a maximum of three entries per facility.
- **Deadline for entry: Sept. 19, 2025, 5 p.m.**
- Entries may be submitted to PSAward@gha.org. You must include your name, facility, title, and contact information.

Winning Entry

- The winning facility will be contacted directly during the week of Sept. 19, 2025.
- The winning theme and logo will be unveiled during the GHA Patient Safety and Quality Summit at the Ritz-Carlton Reynolds, Lake Oconee on Jan 12-13, 2026.
- Staff from the winning hospital will receive one complimentary registration to the GHA Patient Safety and Quality Summit.
- Lapel pins with your logo will be given to your team.

Thank you, and we look forward to your creative ideas!
