MEMO TO: GHA Member CEOs

FROM: Earl V. Rogers, President

RE: Leadership GHA

We are now accepting nominations for the 2019-2020 Class of Leadership GHA.

Leadership GHA, launched in 2003, is designed to identify, develop, and inspire new leaders in health care throughout Georgia. This six-month program utilizes a variety of techniques to educate participants on the unique and diverse issues that characterize Georgia's health care system. The program includes workshops, conferences, panel discussions and field trips to a variety of hospitals and health systems throughout the state.

Twenty outstanding leaders completed the program and graduated at the 2019 GHA Trustee Conference in January. To date, 373 health care leaders have graduated from Leadership GHA. Individuals from Georgia hospitals and health systems must be nominated by GHA-member CEOs in order to qualify for this prestigious program.

I encourage you to nominate an individual from your organization to participate in this year's program, which begins in July 2019 and ends January 10, 2020. The cost is \$2,225 per person plus travel expenses. To nominate your colleague, please [click here for the nomination form](#) and return to me by **March 31, 2019**.

Nominees will be sent an application for participation. An impartial selection committee will review the applications and select participants for the program.

Note: Space is limited. Please contact me if you have any questions.
