GSVRP Resiliency Award

The Resiliency Award is presented to a volunteer group or gift shop of GSVRP who is determined by the GSVRP Board to be worthy of the award. This is a new award based on resiliency of these professionals during these unprecedented times who have overcome tremendous obstacles by demonstrating flexibility, determination and innovation. We are looking for creative ideas that paved the way for your group or gift shop that can be shared with others in hopes of keeping our volunteer groups and gift shops thriving.

To qualify, the nominee must meet the following criteria:

- Must demonstrate how they have adapted and responded to business disruptions while facing the global pandemic and how they have dealt with the hardships caused by it.
- Must provide data of how this adaptation has kept their program or gift shop operating at the same level (no decrease in program statistics) or improved their program during the pandemic.
- Promotes the mission and vision of GSVRP

Nominations can be made electronically using the attached format. Qualifications of all nominees will be verified.

Thank you for your nomination!
