

Augusta University brings COVID-19 vaccine clinic to Summerville Campus

Media advisory for Monday, March 29, 2021

CONTACT: Heather Henley, 706-513-0719, hhenley@augusta.edu

WHAT: Augusta University student, faculty and staff representatives will receive their first dose of the COVID-19 vaccine to celebrate Georgia opening eligibility to all adults and encourage everyone on campus to roll up their sleeves and vaccinate to save lives. A campus vaccine clinic for students, faculty and staff with appointments will follow at 2 p.m.

WHEN: Noon Monday, March 29

WHERE: Jaguar Student Activity Center, second-floor coffeehouse, 2500 Walton Way, Augusta, GA 30904

OPPORTUNITIES: Videos, photos and interviews with Augusta University President Brooks A. Keel, PhD; AU Provost and Vice President of Academic Affairs Neil MacKinnon, PhD; AU Health System CEO Katrina Keefer; Medical College of Georgia Dean Dr. David Hess; Undergraduate SGA President Mahadia Islam; and Graduate SGA President Kristin Wilson.

RSVP: Contact Heather Henley at hhenley@augusta.edu by 5 p.m. Friday, March 26, if you plan to attend. Please note that masks are required and social distancing is encouraged.

###

Augusta University is Georgia's innovation center for education and health care, training the next generation of innovators, leaders and healthcare providers in classrooms and clinics on four campuses in Augusta and locations across the state. More than 9,000 students choose Augusta for educational opportunities at the center of Georgia's new cybersecurity hub, and experiential learning that blends arts and application, humanities and the health sciences. Augusta is home to Georgia's only public academic health center, where groundbreaking research is creating a healthier, more prosperous Georgia and world-class clinicians are bringing the medicine of tomorrow to patient care today.
