

This month's Daily News Clips are brought to you by [Georgia Hospital Health Services \(GHHS\)](#), a wholly owned subsidiary of the Georgia Hospital Association (GHA). GHHS establishes partnerships with companies who address and provide solutions to current hospital issues. GHHS thoroughly evaluates all potential partners with a due diligence process and forms partnerships only with companies or programs that are aligned with GHA's strategic plan. For more information on current products and programs offered, please contact Bill Wylie: bwylie@gha.org.

These articles, selected from newspapers on Friday, Jan. 22 through Monday, Jan. 25, are intended to feature news about GHA members as well as local and national health care news.

If you have any questions, please contact Erin Stewart, director of digital media and marketing, at estewart@gha.org or 404-272-3303.

The views and opinions contained in these articles are those of the authors or subjects and are not necessarily shared by GHA or its staff.

Click on the blue titles to view the articles.
