Dr. Yurcisin joins SGMC Surgical Specialists

South Georgia Medical Center welcomes Geoff Yurcisin, MD, general surgery. Dr. Yurcisin joins SGMC's vast network of surgical specialists who are trained in a range of specialties which include general surgery, plastic surgery, neurological surgery, cardiothoracic surgery, and vascular surgery.

Dr. Yurcisin cares for a broad spectrum of surgical disease processes within the abdomen, gallbladder, skin and soft tissues, breast, and alimentary tract. These include open and laparoscopic approaches to include hernia repairs.

Dr. Yurcisin received his medical degree from Florida International University Herbert Wertheim College of Medicine. He completed his general surgery residency at Prisma Health in Greenville, SC, alongside SGMC surgeons Dr. Jared Sanders and Dr. James Davis.

Dr. Yurcisin shared that he values transparency and connecting with patients on a personal level to help understand their specific diagnosis in order to help patients make the best decision for themselves.

"My patients can expect me to be their advocate and to freely and openly discuss how I best can or cannot help them," said Dr. Yurcisin.

Dr. Yurcisin is married to Christina and together they have two children.

"I look forward to having a great place to raise my young family and being able to work with partners I know and trust to help the people of South Georgia," he shared.

Dr. Yurcisin is now accepting appointments. To schedule an appointment with Dr. Yurcisin, call 229-433-1711. The SGMC Surgery Suite is located in the Professional Building at 2409 N. Patterson St. in Valdosta.
