Upson Regional Medical Center Celebrates Certified Nurses Day

Thomaston, GA, March 20, 2024 – Upson Regional Medical Center celebrated Certified Nurses Day on Tuesday, March 19, 2024. Certified Nurses Day is an annual day of recognition for and by health care professionals dedicated to nursing professionalism, excellence, and service to publicly acknowledge nurses who earn and maintain credentials in their specialty.

Upson Regional Medical Center has 26 certified nurses on staff, four of which hold two certifications and two of which hold three certifications. Leadership at URMC encourages and recognizes those team members who strive to enhance their skill sets through continued education and training. URMC's certified nurses are:

Amber Andrews, RN, ASN, Certified Lactation Counselor

Hannah Baucom, RN, BSN, Certified Critical Care Nurse

Lou Brown, RN, ASN Certified Inpatient Obstetric Nurse

Samantha Cato, RN, ASN, Certified Maternal Newborn Nurse, Certified Lactation Counselor

Sharon Carnell, RN, BSN, Certified Emergency Nurse

Cyberlee Cleveland, RN, BSN, Certified in Electronic Fetal Monitoring, Certified Inpatient Obstetric Nurse

McKenna Conley, Rn, MSN, Certified Medical-Surgical Registered Nurse
