Southeast Georgia Health System and College of Coastal Georgia Host Nursing and Healthcare Professions Camp

BRUNSWICK, Georgia: March 22, 2024 – Southeast Georgia Health System and College of Coastal Georgia are excited to host a Nursing and Healthcare Professions Camp this summer for high school students entering grades 11 and 12.

During the unique four-day camp, students will shadow clinical staff and other health care professionals in both simulation and real-life settings. In addition, students will earn a CPR and basic first aid certificate, issued by Coastal Georgia nursing faculty.

“The camp is an excellent opportunity for high school students to gain an understanding of the diverse possibilities a career in health care offers,” says Shannon Wainright, RN, MBA, director, Patient Care Services. “In addition, the camp increases awareness of the exceptional education opportunities offered by Coastal Georgia and the quality of health care we provide at our Health System.”

Students will have two opportunities to participate in the four-day camp--June 4-7 or July 16-19. Space is limited and participants must be in good academic standing. To register, students must submit an application, letter of recommendation from a school official, and a Nursing and Healthcare Professions Camp essay by Monday, April 15 (for the June camp) or Monday, May 13 (for the July camp). Registration information can be found at sghs.org/nursecamp. The cost of the four-day camp is \$165 upon acceptance. An additional option that includes camp fees, all meals and overnight campus residential housing at Coastal Georgia is available for \$355.

For more information, contact Nichol James, Coastal Georgia Nursing Academic Service Coordinator, at nursecamp@ccga.edu.

ABOUT SOUTHEAST GEORGIA HEALTH SYSTEM

Southeast Georgia Health System is a not-for-profit health system comprised of two acute care hospitals, two long term care facilities, two Cancer Care Centers and multiple specialty care centers, including orthopaedic and spine care, joint replacement, breast care, maternity, outpatient rehabilitation, sleep management and wound care. The Brunswick Campus Cancer Care Center is accredited by the American College of Surgeons Commission on Cancer and is one of the few centers in Georgia to offer CyberKnife® M6 with MLC. Additionally, the Brunswick Campus is accredited by The Joint Commission as an Advanced Primary Stroke Center and the Camden Campus is accredited as an Acute Stroke Ready Hospital. The Southeast Georgia Physician Associates medical group includes more than 160 providers working in 20 different medical specialties at more than 50 locations. For more information, visit sghs.org.
