Upson Regional Medical Center Celebrates Hospital Week

Thomaston, GA May 24, 2023 – Upson Regional Medical Center recently held its Hospital Week festivities, celebrating the accomplishments and dedication of its staff members.

Hospital Week took place between May 15, 2023 through May 19, 2023 at Upson Regional and offered the opportunity for employees in all departments to enjoy fun-filled events throughout the week.

Each day provided a different way to recognize the staff of Upson Regional Medical Center. On Monday, May 15th, boiled peanuts and snow cones were served, and employees received a gift. A Wellness Fair was held on Tuesday, May 16th for all staff. On Wednesday, May 17th, a delicious breakfast was offered with Chick-Fil-A biscuits. Thursday, May 18th featured a “Hospital Heroes” themed Flamingo Decorating Contest. The week concluded on Friday, May 19th with a BBQ cookout that included a live band.

According to Upson Regional Medical Center CEO, Jeff Tarrant, “We have such a strong organization which provides critically important healthcare services to a large population across rural Georgia. As the only hospital within our six-county region, we have a very special obligation to take great care of all who need us. Each member of our organization understands, accepts, and embraces this obligation. During this special week of fun activities, we celebrated each and every employee, and thank them for all they do shift by shift, day by day, expertly and compassionately touching the lives of all who need us.”

Upson Regional Medical Center staffs over 800 employees across multiple departments. Hospital Week served as a perfect opportunity to highlight the wonderful staff members who work tirelessly to serve our patients and our community.
