AdventHealth to Offer AngioScreenings to the Community

AdventHealth is excited to share that the AngioScreen bus will be available at AdventHealth Redmond on May 29, AdventHealth Gordon on June 11, and AdventHealth Murray on June 17. An AngioScreen is a noninvasive, 10-minute vascular screening designed to assess your risk of heart disease and stroke.

This painless 10-minute assessment delivers immediate results at the time of screening. An AngioScreen includes carotid artery screening ultrasound looking for plaque (the leading cause of stroke), 5 lead EKG of the heart rhythm, ankle brachial indices and abdominal aortic aneurysm (AAA) screening. If you have any of the following risk factors, you should consider scheduling your appointment today:

- Age 55 or above
- High blood pressure
- High cholesterol
- History of smoking
- Family history of stroke
- Diabetes
- Obesity

- Family history of heart attack
- A personal medical history of other cardiovascular issues

The screening is \$85 per person and is HSA eligible. To register for this screening, contact Madelyn.Byars@adventhealth.com or call 706-290-8008.

About AdventHealth

With a sacred mission of Extending the Healing Ministry of Christ, AdventHealth is a connected system of care for every stage of life and health. More than 100,000 skilled and compassionate caregivers in physician practices, hospitals, outpatient clinics, skilled nursing facilities, home health agencies and hospice centers provide individualized, wholistic care. A shared vision, common values, focus on whole-person health and commitment to making communities healthier unify the system's 50-plus hospital campuses and hundreds of care sites in diverse markets throughout almost a dozen states. For more information about AdventHealth, visit AdventHealth.com or Facebook.com/AdventHealth.
