If you have any of the following risk factors, you should consider scheduling your appointment today:

- Age 55 or above
- High blood pressure
- High cholesterol
- History of smoking
- Family history of stroke
- Diabetes
- Obesity
- Family history of heart attack

- A personal medical history of other cardiovascular issues

The screening is \$85 per person and is HSA eligible. To register for this screening, contact Madelyn.Byars@adventhealth.com or visit <https://bit.ly/3YHbSvI>.
