AdventHealth Primary Care+ now open in Cartersville, expanding access to convenient care for families

AdventHealth Primary Care+ is now open in Cartersville, making it easier for families to access high-quality primary care close to home.

The new practice is now accepting patients ages 5 and older and offers comprehensive care for every stage of life. Board-certified providers are available to support patients with preventive care, chronic condition management and same-day or next-day visits when health needs arise.

Services at AdventHealth Primary Care+ in Cartersville include annual wellness exams, chronic disease management, health screening services, immunizations and flu shots, medication management, men's health exams, mental health support, nutritional counseling, onsite labs, school and sports physicals, sick visits and well-woman exams.

Located at 328 E. Main St, Suite 101 in Cartersville, GA, this practice offers convenient appointment options, including evenings and weekends. Hours are Monday through Friday, 8 a.m. to 8 p.m., and Saturday through Sunday, 8 a.m. to 5 p.m.

Whether patients are managing a chronic condition, staying current on preventive care or getting care for an unexpected illness, AdventHealth Primary Care+ in Cartersville is designed to make access easier and support whole-person care for the people and families who rely on it.

The care team looks forward to serving our communities and building lasting relationships with the families who trust them with their care.
