AdventHealth Redmond and Floyd Against Drugs Partner for Community Drug Drop Event

AdventHealth Redmond and Floyd Against Drugs are partnering to host a community Drug Drop Event on Saturday, Oct. 24, from 9 a.m. to noon, providing a safe and convenient way for community members to dispose of unused or expired medications.

The drive-through event will take place at AdventHealth Redmond, located at 501 Redmond Road. Participants can remain in their vehicles while dropping off unwanted prescription and over-the-counter medications. Sharps will not be accepted.

Proper disposal of unused medications plays an important role in preventing medication misuse and helping protect the health and safety of the community. The event offers residents a simple, secure option for removing potentially harmful medications from their homes.

The event is open to the public and free of charge. Community members are encouraged to gather any expired or unwanted prescription and over-the-counter medications and bring them to the event for proper disposal.

Floyd Against Drugs and AdventHealth Redmond have partnered on the annual initiative to support community health and raise awareness about the importance of safe medication practices. For more information, visit FloydAgainstDrugs.com

About AdventHealth

AdventHealth is a connected network of care that helps people feel whole – body, mind and spirit. More than 105,000 team members across a national footprint provide whole-person care for millions of people annually through more than 2,000 care sites that include hospitals, physician practices, ambulatory surgery centers, outpatient clinics, home health agencies, hospice centers, the AdventHealth app and more. Our wholistic approach to improving the health and prosperity of our communities is inspired by our mission to extend the healing ministry of Christ.
