

**Dr. Ashley Corey Seeing Patients in Cartersville**  
*She Believes in Empowering Patients*

**CARTERSVILLE, Ga., Sept. 22, 2022** – Ashley Corey, D.O., is now seeing patients at Atrium Health Floyd Primary Care Family Medicine Cartersville.

Dr. Corey believes in preventive measures and lifestyle changes to keep her patients healthy. She wants patients to know she is there to help and support them with their medical needs.

“I always try to empower my patients with the knowledge and skills they need to improve their health,” Corey said. “I also will deprescribe when able to, in order to simplify my patients’ lives.”

She is no stranger to the community. She completed her residency through the Atrium Health Floyd Medical Center Family Medicine Residency program.

Corey received her Doctor of Osteopathic Medicine from the Edward Via College of Osteopathic Medicine, Spartanburg, South Carolina. She received her Bachelor of Science in biomedical sciences from Lee Honors College of Western Michigan University, Kalamazoo, Michigan.

Atrium Health Floyd Primary Care Family Medicine Cartersville, 1328 Joe Frank Harris Pkwy. SE, is open Monday through Friday from 8 a.m. to 5 p.m. To make an appointment call 770-387-0730.

**About Atrium Health Floyd**

Since 1942, Floyd, now [Atrium Health Floyd](#), has worked to provide affordable, accessible care in northwest Georgia and northeast Alabama. Today, Atrium Health Floyd is a leading medical provider and economic force. As part of the largest, integrated, nonprofit health system in the southeast, it is also able to tap into some of the nation’s leading medical experts and specialists with Atrium Health, allowing it to provide the best care close to home – including advanced innovations in virtual medicine and care. At the hub of these services is Atrium Health Floyd Medical Center, a 304-bed full-service, acute care hospital and regional referral center. Atrium Health Floyd employs more than 3,400 teammates who provide care in over 40 medical specialties at three hospitals: Atrium Health Floyd Medical Center in Rome, Georgia; Atrium Health Floyd Cherokee Medical Center in Centre, Alabama; Atrium Health Floyd Polk Medical Center in Cedartown, Georgia, as well as Atrium Health Floyd Medical Center Behavioral Health, a freestanding 53-bed behavioral health facility, also in Rome; and a primary care and urgent care network with locations throughout the service area of northwest Georgia and northeast Alabama.
