

Atrium Health Navicent offers heart screenings this February

February is American Heart Month

MACON, GA., Feb. 6, 2026 – Atrium Health Navicent has scheduled a series of AngioScreen® (heart screening) events this February in observation of American Heart Month.

Noninvasive AngioScreen uses ultrasound to assess blood flow in patients' arteries and veins. These 10-minute preventive screenings can detect issues that could lead to heart attack or stroke.

AngioScreens will be offered on the following dates:

- Feb. 10, 9 a.m.-4 p.m., at Putnam General Hospital, 101 Lake Oconee Parkway, Eatonton
- Feb. 11, 8:30 a.m.-4 p.m., at Atrium Health Navicent Wellness Center, 3797 Northside Drive, Macon
- Feb. 12, 8 a.m.-4:30 p.m., at Atrium Health Navicent Heart & Vascular Care, 756 First St., fourth floor, Macon

Call 800-627-2393 to schedule an AngioScreen appointment. The cost is \$50.

American Heart Month is observed each February as an opportunity to promote cardiovascular health and disease prevention.

About Atrium Health Navicent

Atrium Health Navicent is the leading provider of health care in central and south Georgia and is committed to its mission of elevating health and well-being through compassionate care. Atrium Health Navicent is part of [Advocate Health](#), which is headquartered in Charlotte, North Carolina, and is the third-largest nonprofit health system in the United States, created from the combination of Atrium Health and Advocate Aurora Health. Atrium Health Navicent provides high-quality, personalized care in 53 specialties at more than 50 facilities throughout the region. As part of the largest, integrated, nonprofit health system in the Southeast, it is also able to tap into some of the nation's leading medical experts and specialists with Atrium Health, allowing it to provide the best care close to home – including advanced innovations in virtual medicine and care. Throughout its 130-year history in the community, Atrium Health Navicent has remained dedicated to enhancing health and wellness for individuals throughout the region through nationally recognized quality care, community health initiatives and collaborative partnerships. It is also one of the leading teaching hospitals in the region, helping to ensure viability for rural health care for the next generation. For more information, please visit www.NavicentHealth.org.

About Advocate Health

Headquartered in Charlotte, North Carolina, [Advocate Health](#) is the third-largest nonprofit, integrated health system in the United States. A preeminent academic health system at the forefront of clinical excellence, innovation and research, it delivers care under the names [Advocate Health Care](#) in Illinois; [Atrium Health](#) in the Carolinas, Georgia and Alabama; and [Aurora Health Care](#) in Wisconsin and [Wake Forest University School of Medicine](#) is its academic core. Nationally recognized for expertise in heart and vascular, neurosciences, oncology, pediatrics and rehabilitation, Advocate Health is also a pioneer in the delivery of virtual health care. It is accelerating discovery by making research participation part of the standard-of-care through its one-of-a-kind [National Center for Clinical Trials](#), plus two affiliated life-sciences-focused innovation districts and one of the nation's largest graduate medical education programs. With more than 165,000 teammates serving patients at 69 hospitals and over 1,000 care locations across six states, Advocate Health reinvests over \$6 billion each year to improve community health, making it one of the nation's largest providers of community benefit.
