Bhyravabhotla joins Hamilton Physician Group – Specialty Care

DALTON, Ga. (September 9, 2026) – Kshama Bhyravabhotla, MD, recently joined Hamilton Physician Group – Specialty Care as a pulmonary and sleep medicine physician. She is also a critical care physician for Hamilton Medical Center.

Bhyravabhotla says the most rewarding part of her job is her relationship with her patients.

“Being able to educate patients so they're able to walk out of the office knowing exactly what’s going on with their body and feeling empowered to fight it is one of the best feelings,” she says.

Bhyravabhotla earned her medical degree at the Morehouse School of Medicine in Atlanta and completed an Internal Medicine and Pediatrics residency at Tulane University School of Medicine in New Orleans. She completed a fellowship in Pulmonary and Critical Care at the University of Texas Health Sciences Center in Houston and a fellowship in Sleep Medicine at the Mayo Clinic Jacksonville in Florida. Bhyravabhotla is a member of the American College of Physicians, American College of Chest Physicians and the American Academy of Sleep Medicine.

Bhyravabhotla says her driving force is making patients feel seen. “I will listen to what a patient finds important. I’m a big believer in shared decision making, so it’s my job to tell my patient what the best course of action is, medically and evidence-based, but it’s also my job to listen to a patient’s concerns about a treatment plan and come up with something that works for both of us, whenever possible.”

To make an appointment with Bhyravabhotla at Hamilton Physician Group – Specialty Care, call 706-529-3072.

About Hamilton Physician Group – Specialty Care

Hamilton Physician Group – Specialty Care’s multidisciplinary team uses advanced diagnostic techniques to treat complex conditions. The practice includes pulmonology, palliative care, rheumatology and sleep medicine.

About Vitruvian Health

Vitruvian Health, formerly Hamilton Health Care System, is a not-for-profit, fully integrated health system serving the Northwest Georgia and Southeast Tennessee regions. Vitruvian includes Hamilton Medical Center in Dalton, Ga., and Bradley Medical Center in Cleveland, Tenn., affiliated physician practices, walk-in care centers, retirement and skilled nursing centers, a diagnostic center, a cancer institute, an institute for children with developmental delays, and more. Known for its advanced care and personalized service, Vitruvian Health offers innovative treatment options in state-of-the-art facilities while maintaining a compassionate, friendly and tranquil healing environment.

The Vitruvian name draws from the organization’s recognizable da Vinci-inspired Vitruvian Man icon, which has been a prominent part of Hamilton’s logo since 1976. Da Vinci’s Vitruvian Man represents harmony, balance, and the interconnectedness of all aspects of health, perfectly aligning with Hamilton’s integrated system of care.
