FOR IMMEDIATE RELEASE
November 25, 2025

Registration Open for 2026 Cardiovascular Symposium

CHATTANOOGA, TN – The Chattanooga Heart Institute and CHI Memorial will host the 2026 Annual Chattanooga Cardiovascular Symposium on Saturday, February 7, 2026, at the Chattanooga Marriott Downtown from 8 a.m. – 4 p.m. C. Samuel Ledford, MD, FACC, E. Philip Lehman, MD, FACC, and Mark C. Thel, MD, FACC, are the activity directors. The symposium has been approved for continuing education credits for physicians and advanced allied health providers. Several additional professions can claim reciprocal continuing education credits. Visit memorial.org/physician-resources for more information.

Symposium topics include:

- AI in Lung Cancer Screening
- The Pharmacists' Pearls
- Diabetic Management and the Cardiac Patient
- Medications – When Does Age Matter
- General Approach to the Patient with Chest Pain
- Update on Lipid Management – What to do with LP(a)
- Update on Treatment Options for Mitral and Tricuspid Regurgitation
- Restrictive Cardiomyopathy – Focus on Infiltrative Diseases
- Who Should, and Who Shouldn't, have AFib Ablation
- PVCs – Evaluation and Treatment
- Optimal Duration of Cardiac Monitoring After Stroke
- Heart Failure with Preserved EF – Does Anything Work?
- Should I Order a Nuclear Stress Test or Coronary CTA in My Patient with Chest Pain
- Look What I Found – Interesting Imaging
- Refractory HTN
- Exercise Guidelines/Cardiac Rehab
- Is Aspirin Out? The Newest in Long-term Antiplatelet Therapy After Stenting

This activity has been designed to meet the educational needs of internal medicine and family medicine physicians, advanced practice nurses, physician assistants, nurses, interns and residents in primary care specialties, and medical and nursing students involved in the cardiac care of patients.

The fee is \$200 for physicians, \$125 for advanced practice clinicians, and \$75 for allied health professionals.

The symposium will be hosted as a hybrid, with options to attend in-person or virtually. To register for the 2026 Annual Chattanooga Cardiovascular Symposium, visit memorial.org/physician-resources. Please register in advance to reserve your spot.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6.25 MOC Part II points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Chattanooga Marriott Downtown is located at 2 Carter Street, Chattanooga, TN 37402.

About CHI Memorial

CHI Memorial, a member of CommonSpirit, is a not-for-profit, faith-based healthcare organization dedicated to the healing ministry of the Church. Founded by the Sisters of Charity of Nazareth, it offers a continuum of care including preventative, primary and acute hospital care, as well as cancer, cardiac, neuroscience, and stroke care, and orthopedic and rehabilitation services. CHI Memorial is a regional referral center of choice with 4,700 employees and almost 500 affiliated physicians providing health care throughout Southeast Tennessee and Northwest Georgia.
