AdventHealth Medical Group Primary Care & Urgent Care at Summerville welcomes Jacquelin Miller, MD, FACEP

Summerville, Georgia – AdventHealth Redmond is pleased to welcome Jacquelin Miller, MD, FACEP, to AdventHealth Medical Group Primary Care & Urgent Care at Summerville. Dr. Miller joins Christie Tankersley, ACNP-BC, and Anna Nicole Herring, FBP-C, expanding access to convenient care for individuals and families across Chattooga County.

Dr. Miller is a board-certified emergency medicine physician who provides compassionate, patient-centered care for patients of all ages. She brings extensive experience in urgent and complex medical situations and is committed to working collaboratively with patients and care teams to deliver thoughtful, efficient care. Dr. Miller is passionate about helping others navigate critical health moments while ensuring they feel informed, supported and cared for.

Dr. Miller earned her Doctor of Medicine from the Medical College of Georgia, where she also completed a transitional internship in internal medicine and surgery, followed by a residency in emergency medicine. She is board-certified by the American Board of Emergency Medicine and is a Fellow of the American College of Emergency Physicians. Outside of work, Dr. Miller enjoys reading, gardening, cooking and spending time in nature, as well as being with her husband, daughters and animals.

AdventHealth Medical Group Primary Care & Urgent Care at Summerville is located at 9777 Rome Boulevard in the Ingles shopping center and offers primary care, urgent care, occupational health, workers' compensation and school health services. Walk-in and same-day appointments are available. To schedule an appointment or for more information, call 706-368-8899 or visit [AdventHealth.com](https://www.AdventHealth.com).

About AdventHealth

AdventHealth is a connected network of care that helps people feel whole – body, mind and spirit. More than 105,000 team members across a national footprint provide whole-person care for millions of people annually through more than 2,000 care sites that include hospitals, physician practices, ambulatory surgery centers, outpatient clinics, home health agencies, hospice centers, the AdventHealth app and more. Our wholistic approach to improving the health and prosperity of our communities is inspired by our mission to extend the healing ministry of Christ.
