Dublin VA to host Veterans Day program Nov. 10

DUBLIN, Ga. — The Carl Vinson VA Medical Center will host its annual Veterans Day program at 1 p.m. Nov. 10 in the medical center auditorium. The program will honor all who have served in the U.S. armed forces and remember those who gave their lives in defense of the nation.

Veterans Day originated as Armistice Day, which President Woodrow Wilson first commemorated in November 1919 to mark the end of World War I. In 1954, President Dwight D. Eisenhower signed legislation changing the observance's name to Veterans Day to honor American veterans of all wars.

"Veterans Day gives our community an opportunity to come together and recognize the service and sacrifice of America's veterans," Executive Medical Center Director Chandra Miller said.

"We invite veterans, their families and all members of the community to join us Nov. 10 as we honor those who have worn our nation's uniform."
