Carl Vinson VA Medical Center Opens Walk-In COVID-19 Vaccine Clinic

Dublin Ga. — The Carl Vinson VA Medical Center is hosting a Walk-In COVID-19 vaccine clinic this weekend from 6 a.m. until 6:30 p.m. on Saturday, March 20th and Sunday, March 21st. The walk-in clinic will be held in the facility's main auditorium located on the second floor.

“As we near 20,000 COVID vaccine shots delivered and foresee an increase in vaccine supply, this was the right time to expand for all enrolled Veterans at the Carl Vinson VAMC appointments to get vaccinated,” David L. Whitmer, FACHE, medical center director, said. “I encourage all Veterans to get their vaccination and do their part to end this pandemic together by coming to our walk-in clinic or enrolling in VA healthcare to receive your vaccine sooner. Veterans have offered selfless sacrifice in service to others and getting vaccinated to protect themselves, their families, and their communities continues this time-honored tradition.”

Veterans currently scheduled for vaccines this weekend will not be impacted by the new walk-in clinic.

Carl Vinson VA Medical Center is reaching out to Veterans who are eligible for vaccination. Veterans who would like additional information can visit the [VA COVID-19 vaccines](#) webpage, visit their local facility's website (www.dublin.va.gov and [COVID-19 Vaccines - Carl Vinson VA Medical Center Dublin, Georgia](#)), or contact their care team.

Veterans not yet enrolled for VA healthcare and want to receive the vaccine can utilize this weekend's walk-in clinic. Enrollment teams will be available to help Veterans enroll prior to receiving their vaccine.

Vaccines will be issued on a first come, first served basis and will continue to be provided as supplies last.

For more information or to schedule an interview, please contact Acting Public Affairs Officer James W. Huckfeldt at 478-272-1210 ext. 3531 or via email at James.Huckfeldt@VA.gov.
