Thind joins Hamilton Primary Care – Dalton

DALTON, Ga. (October 19, 2026) – Veera Thind, MD, recently joined Hamilton Primary Care – Dalton as a primary care physician.

Thind says having the privilege of caring for her patients during life's ups and downs is the most rewarding part of her job.

"Primary care physicians are almost always the first point of contact when there's a health issue," says Thind. "In a way, we become a part of our patients' family unit, and that's a privilege."

Thind completed a Family Medicine residency at Hamilton Medical Center. She earned her medical degree from Xavier University School of Medicine in Aruba.

"I want my patients to know that I truly am a no-judgement individual," Thind says. "I want them to come in and feel comfortable when they're around me and know that it's my goal to make them as healthy as possible and to assist them in meeting their health goals."

To make an appointment with Thind at Hamilton Primary Care – Dalton, call 706-226-9355.
