## Hamilton inviting community to CultureFest

**DALTON, Ga. (May 30, 2025)** – Hamilton Medical Center (HMC) is inviting community members to participate in CultureFest on Thursday, June 11 from 1 to 5 p.m. at the lower level of the Hamilton parking deck on the corner of Broadrick Drive and Memorial Drive.

CultureFest is a day of celebration, education and unity to embrace the event’s theme of “The Color of Inclusive Care.” It is dedicated to acknowledging barriers to health equity, celebrating cultures and fostering inclusive care for all. The festival will bring together healthcare professionals, local organizations and community members to promote quality care and access to care within reasonable time frames.

The event will feature:

- Vendors that highlight the rich traditions and perspectives of different cultures
- Inclusive care information – healthcare professionals, local advocacy groups and community partners hosting interactive booths to share resources and education
- Food trucks featuring international and cultural cuisines (for purchase), reflecting the diverse backgrounds of the community.

“We hope you’ll join us as we celebrate our unique differences and our various healthcare needs and provide information on healthcare services and advocacy programs in our community,” said Star Lackey, Inclusive Care and Patient Relations manager.

### **About Hamilton Medical Center**

The flagship affiliate for Vitruvian Health’s Northwest Georgia region, Hamilton Medical Center (HMC) is a 255-bed regional acute-care hospital that offers major medical, surgical and diagnostic services, including accredited stroke and chest pain centers. Advanced technology and wellness are two significant areas of focus for HMC. Services include the freestanding Hamilton Ambulatory Surgery

Center, Hamilton Diagnostics Center, and Bradley Wellness Center, as well as a Level III trauma center, Peeples Cancer Institute, Heart & Vascular program (including open heart surgery), Hamilton Spine Health and Sport, Level III Neonatal Intensive Care Unit, and more.

### **About Vitruvian Health**

Vitruvian Health, formerly Hamilton Health Care System, is a not-for-profit, fully integrated health system serving the Northwest Georgia and Southeast Tennessee regions. Vitruvian includes Hamilton Medical Center in Dalton, Ga., and Bradley Medical Center in Cleveland, Tenn., affiliated physician practices, walk-in care centers, retirement and skilled nursing centers, a diagnostic center, a cancer institute, an institute for children with developmental delays, and more. Known for its advanced care and personalized service, Vitruvian Health offers innovative treatment options in state-of-the-art facilities while maintaining a compassionate, friendly and tranquil healing environment.

The Vitruvian name draws from the organization's recognizable da Vinci-inspired Vitruvian Man icon, which has been a prominent part of Hamilton's logo since 1976. Da Vinci's Vitruvian Man represents harmony, balance, and the interconnectedness of all aspects of health, perfectly aligning with Hamilton's integrated system of care.
