Hamilton Home Health earns patient experience award

DALTON, Ga. (Sept. 21, 2026) – Hamilton Home Health has been recognized by Strategic Healthcare Programs (SHP) as a “Premier Performer” for achieving an overall patient experience score that ranked in the top 5 percent of all eligible SHP clients for the 2025 calendar year.

The annual SHPBest™ award program was created to acknowledge home health agencies that consistently provide high-quality service to their patients. The 2025 award recipients were determined by reviewing and ranking the overall experience score for more than 3,200 home health providers.

“Providing excellent patient care takes relentless effort, and our SHPBest award winners embody that every year. This program lets us recognize the organizations that never settle, that keep improving the patient and caregiver experience even when they're already performing at a high level. That kind of commitment deserves to be celebrated,” said Jason Ballet, president of SHP.

Strategic Healthcare Programs (SHP) is a leader in data analytics and benchmarking that drive daily clinical and operational decisions. Our solutions bring real-time data to post-acute providers, hospitals, and ACOs to better coordinate quality care and improve patient outcomes. Since 1996, SHP has helped more than 7,000 organizations nationwide raise the bar for healthcare performance.

“I am extremely proud of our team and the exceptional care they provide every day,” said Amanda Horne, Hamilton Home Health director. “This award reflects their dedication to our patients and their commitment to providing the highest level of care.”

About Hamilton Home Health

Hamilton Home Health provides medical care that is appropriate for people suffering from chronic illness or recovering from acute injury or illness who need skilled care to remain at home. Services include medication management, wound care, physical therapy, occupational therapy and other skilled services provided by licensed individuals. Some patients qualify for additional services such as home health aides and medical social workers when necessary to support skilled services.

About Vitruvian Health

Vitruvian Health, formerly Hamilton Health Care System, is a not-for-profit, fully integrated health system serving the Northwest Georgia and Southeast Tennessee regions. Vitruvian includes Hamilton Medical Center in Dalton, Ga., and Bradley Medical Center in Cleveland, Tenn., affiliated physician practices, walk-in care centers, retirement and skilled nursing centers, a diagnostic center, a cancer institute, an institute for children with developmental delays, and more. Known for its advanced care and personalized service, Vitruvian Health offers innovative treatment options in state-of-the-art facilities while maintaining a compassionate, friendly and tranquil healing environment.

The Vitruvian name draws from the organization’s recognizable da Vinci-inspired Vitruvian Man icon, which has been a prominent part of Hamilton’s logo since 1976. Da Vinci’s Vitruvian Man represents harmony, balance, and the interconnectedness of all aspects of health, perfectly aligning with Hamilton’s integrated system of care.
