## Hamilton to host Joint Moves event in Calhoun

**DALTON, Ga. (March 10, 2026)** – Hamilton Medical Center (HMC) will host a free joint pain seminar on Thursday, April 2 at 5:30 p.m. at the Gordon County Chamber of Commerce, 300 S. Wall St., Suite 8, in Calhoun.

D.J. Goss, DO; J. Mitchell Frix, MD; and Nick Reed, MD; will give a presentation on the latest advancements in total joint replacement of ankle, hip, knee and shoulder as well as orthopedic foot and ankle surgery.

There are non-operative treatments for joint pain include anti-inflammatory drugs or other treatments such as physical therapy. When non-operative treatments offer little relief, and everyday activities are limited due to stiffness and pain, total joint replacement surgery may be the solution to allow people to keep moving without pain.

Please register by visiting [VitruvianHealth.com/joint](http://VitruvianHealth.com/joint). Those who have question may call 706-272-6114. Register and attend to be entered to win a door prize.
