Kurien joins Hamilton Physician Group – Catoosa Campus

DALTON, Ga. (August 1, 2026) – Neethu Kurien, MD, says she really enjoys building rapport with her patients.

“I want to sit down and listen to my patients,” she says. “Having compassion and really hearing them out is very important.”

Kurien recently joined Hamilton Physician Group – Catoosa Campus, 45 College Park Drive in Ringgold, as a family practice physician. She earned her medical degree at the University of Tennessee Health and Science Center School of Medicine in Memphis, and she completed a Family Medicine residency at the University of Alabama in Tuscaloosa.

Kurien says she believes listening is one of the most important parts of medicine and strives to ensure every patient feels heard, understood and involved in their care.

“I want every patient to know they have the time to talk to me about anything,” she says. “My goal is to listen with an open mind, make sure people feel heard and work together to help them achieve their healthiest lift.”
