Liberty Regional Medical Center Invites Community Partners to Join "Santa's Holly Jolly Jamboree"

Hinesville, Ga.– Liberty Regional Medical Center (LRMC) is inviting local businesses, organizations, churches, civic groups, first responders and other community partners to help make the holiday season a little brighter by participating in its upcoming 'Santa's Holly Jolly Jamboree' community Christmas event.

The community celebration will take place **Thursday, December 10, from 4 to 7 p.m. at Liberty Regional Medical Center**. This free event invites local families to join LRMC for fun holiday festivities including free photos with Santa, festive games, holiday crafts, sweet treats and more.

As LRMC prepares for the event, the hospital is seeking community partners who would like to help create a fun, family-friendly experience for local children and families.

Community partners will have the opportunity to **set up a booth and provide a free, kid-friendly activity, game, craft or other holiday experience** for attendees. Organizations can use the event as an opportunity to engage with families, showcase their organization and help bring the community together during the holiday season.

LRMC is also seeking **event sponsors and in-kind donations** to help provide activities, prizes, books, and other items that will contribute to the celebration. Contributions of all sizes are welcome and can help make a meaningful difference for families who attend.

“Events like this are a wonderful reminder of what makes our community so special,” said Derek Rozier, CEO of Liberty Regional Medical Center. “We are excited to bring families together at LRMC for an evening of holiday fun, and we are asking our community partners to join us in making this event something truly memorable for the children and families we serve.”

The event is part of LRMC’s ongoing commitment to connecting with and giving back to the community it serves. By bringing local organizations, businesses and community leaders together, LRMC hopes to create an evening filled with holiday cheer, family fun and meaningful community connections.

Organizations and businesses interested in **participating, sponsoring the event or providing an in-kind donation** are encouraged to contact Liberty Regional Medical Center for more information.
