

FOR IMMEDIATE RELEASE

Liberty Regional Medical Center Supports LCCA Students Advancing to SkillsUSA National Conference

HINESVILLE, GA - April 2, 2026 - Liberty Regional Medical Center proudly presented a sponsorship check today to students from Liberty College & Career Academy (LCCA) as they prepare to compete at the SkillsUSA National Leadership & Skills Conference in Atlanta this summer.

The students recently earned Gold Medals at the SkillsUSA Georgia State Leadership & Skills Conference, securing their place at the national competition. Three students will compete in Occupational Health & Safety, while one student will compete in Culinary Arts, representing both LCCA and the greater Liberty County community on a national stage.

“At Liberty Regional, we believe in investing in the future of our community, and that starts with supporting our students,” said Derek Rozier, Chief Executive Officer of Liberty Regional Medical Center. “These young individuals have already demonstrated incredible dedication, skill, and perseverance. We are honored to stand behind them as they take this next step and represent Liberty County at the national level.”

The sponsorship provided by Liberty Regional Medical Center will assist with expenses associated with attending the national conference, helping ensure these students have the opportunity to showcase their talents among the best in the nation.

We are also proud that our CEO, Derek Rozier, serves on the LCCA Board, and that Leah Poole, Trustee for the Liberty County Hospital Authority and CEO of the Liberty County Chamber, serves as Vice Chair of the LCCA Board, demonstrating a strong, shared commitment to education, healthcare, and the continued growth of our community.

Liberty Regional Medical Center remains committed to supporting education, workforce development, and initiatives that empower the next generation of leaders and professionals in Liberty County.
