Liberty Regional Medical Center Partners with American Red Cross for Community Blood Drive

HINESVILLE, Ga. – [Liberty Regional Medical Center](#) (LRMC) is proud to partner with the American Red Cross to host a community blood drive on **Friday, June 12**, providing local residents with an opportunity to make a meaningful impact through the simple act of donating blood.

Blood donations play a critical role in supporting patients facing surgeries, traumatic injuries, cancer treatments, chronic illnesses, and other medical emergencies. Every donation has the potential to help save multiple lives and ensure blood remains available for those who need it most.

“At Liberty Regional Medical Center, caring for our community extends beyond the walls of our hospital,” said Derek Rozier, Chief Executive Officer of LRMC. “Partnering with the American Red Cross for this blood drive allows us to help meet an ongoing healthcare need while giving our staff, patients, and community members the opportunity to make a direct and lasting difference in the lives of others.”

The blood drive will take place from **11 a.m. to 4 p.m. at Liberty Regional Medical Center**, located at 462 E.G. Miles Parkway in Hinesville. Community members are encouraged to schedule an appointment in advance, although walk-ins may be accepted as availability allows.

To register for a donation appointment, visit:

Blood Drive Details

Date: Friday, June 12, 2026

Time: 11:00 a.m. – 4:00 p.m.

Location: Liberty Regional Medical Center

462 E.G. Miles Parkway
Hinesville, GA 31313

Blood donations are especially important during the summer months when blood supplies often experience seasonal shortages. By participating in the drive, donors can help ensure hospitals and healthcare providers have the resources necessary to care for patients throughout the region.

Liberty Regional Medical Center remains committed to supporting the health and well-being of the community through quality healthcare services, outreach initiatives, and meaningful partnerships that make a difference.

ABOUT LIBERTY REGIONAL MEDICAL CENTER: Liberty Regional Medical Center is a trusted, community-centered healthcare provider committed to delivering high-quality, patient-focused care to the residents of Liberty County and the surrounding region. As a vital part of the community, LRMC offers a comprehensive range of medical services supported by advanced technology, skilled providers, and a compassionate care team. Rooted in a mission to serve, LRMC is dedicated to improving health outcomes through innovation, accessibility, and meaningful community partnerships. With a focus on treating every patient like family, Liberty Regional Medical Center is proud to provide care that is not only close to home, but built for the community, by the community.
