Memorial Health Donates \$15,000 to Second Harvest of Coastal Georgia
Gift Made in Celebration of Hospital's 70th Anniversary

Savannah, GA (April 23, 2025) – Today, Memorial Health leaders presented a check for \$15,000 to Second Harvest of Coastal Georgia. The check presentation took place during Memorial Health's annual "We Show Up for our Communities" week of volunteerism.

"Second Harvest of Coastal Georgia is a vital resource for those in our region who face food insecurity and we are proud to support their good work," said Brad Talbert, CEO of Memorial Health. "To date, we have contributed \$65,000 from our Community Benefit Fund to help Second Harvest of Coastal Georgia feed low-income families, senior citizens and others who face hunger."

This year's grant is a symbolic gift in honor of Memorial Health's upcoming 70th anniversary. Second Harvest is able to provide five meals for \$1. Memorial Health's gift is meaningful in that it will provide more than 70,000 meals to those in need in our community.

Memorial Health joined HCA Healthcare on February 1, 2018. At that time, a Community Benefit Fund was established to provide much-needed financial resources to organizations that are working to improve our community. The fund totals \$2.5 million and \$250,000 is awarded each year to help agencies continue the good work they do. To date, Memorial Health has contributed more than \$1.8M from its Community Benefit Fund, supporting 47 worthwhile organizations.

Memorial Health has provided quality healthcare services since 1955, giving patients access to highly trained physicians and advanced technology. Our 711-bed hospital is one of the region's leading acute care facilities, serving 35 counties in southeast Georgia and southern South Carolina. Located in Savannah, Georgia, we are a regional referral center for heart care, cancer care, trauma care, children's care, high-risk pregnancies and high-risk newborn care. Our hospital includes the region's only Level 1 trauma center, the Memorial Health Dwaine & Cynthia Willett Children's Hospital of Savannah, a primary and specialty care physician network and Consult-A-Nurse®, our 24-hour call center. We also have a major medical education program that trains physicians in numerous specialties and our campus is home to the Savannah Campus of Mercer University School of Medicine. And, in 2025, Memorial Health is celebrating its 70th anniversary.
