## **Relief Society Provide Lavish Holiday Meal for Nunnally House Guests**

BRUNSWICK, Georgia: November 23, 2022 – On Thursday evening, November 17, members of the Relief Society of the Church of Jesus Christ of Latter Day Saints prepared a lavish holiday meal for patients, families and guests at the Southeast Georgia Health System Foundation Nunnally House.

Ham, casseroles, vegetables, and many desserts were greatly enjoyed by everyone. And in keeping with tradition, there were plenty of leftovers to come back to for several days afterwards.

In addition to the outstanding meal, Relief Society members also collected donations for the Nunnally House pantry which provides canned foods, snacks, and microwaveable meals for cancer patients. The cupboards and refrigerator are once again full thanks to this generous gift!

This is the eighth year that The Relief Society has organized, prepared and delivered this wonderful gift of a home-cooked meal to Nunnally House.

Nunnally House at Southeast Georgia Health System offers rooms for cancer patients, family members of critical care patients, medical students and on-call medical staff. The atmosphere is

inviting and warm, with a fireplace-lit gathering space within a relaxing common area. Amenities include furnished rooms with queen beds, kitchenettes, cable television, full baths, and daily housekeeping services.

**ABOUT SOUTHEAST GEORGIA HEALTH SYSTEM**

Southeast Georgia Health System is a not-for-profit health system comprised of two acute care hospitals, two long term care facilities, two comprehensive Cancer Care Centers and multiple specialty care centers, including orthopaedic and spine care, joint replacement, breast care, maternity, outpatient rehabilitation, sleep management and wound care. The Brunswick Campus Cancer Care Center is accredited by the American College of Surgeons Commission on Cancer and is one of the few centers in Georgia to offer CyberKnife® M6 with MLC. Additionally, the Brunswick Campus is accredited by The Joint Commission as an Advanced Primary Stroke Center and the Camden Campus is accredited as an Acute Stroke Ready Hospital. The Southeast Georgia Physician Associates medical group includes more than 160 providers working in 20 different medical specialties at more than 50 locations. The Health System is part of Coastal Community Health, a regional affiliation between Baptist Health and Southeast Georgia Health System, a highly integrated hospital network focused on significant initiatives designed to enhance the quality and value of care provided to our contiguous communities.
