Southeast Georgia Health System Hosts Blood Drives

BRUNSWICK, Georgia: September 12, 2025 — Southeast Georgia Health System is calling on community members to roll up their sleeves and make a lifesaving difference. Blood donations are urgently needed to support patients facing emergencies, surgeries and ongoing medical treatments. Donors have the potential of impacting up to three lives with a single donation, strengthening the local supply for friends, family, and neighbors in need.

In partnership with LifeSouth Community Blood Centers, Southeast Georgia Health System will host blood drives at its Brunswick and Camden Campus. Donors will receive a \$20 e-gift card, T-shirt, free cholesterol screening, and the satisfaction of saving lives in their community. Half of the units collected will be donated directly to Southeast Georgia Health System.

Brunswick Campus: The LifeSouth Mobile Unit will be located on the corner of Parkwood Drive and Kemble Avenue, Tuesday, Sept. 23 from 10 a.m.-4 p.m.

Camden Campus: The LifeSouth Mobile Unit will be located at 2000 Dan Proctor Drive, Tuesday, Oct. 7, from 8 a.m.-1 p.m.

All eligible donors are encouraged to participate and help ensure a stable blood supply for emergencies, surgeries, cancer treatments and more. To register for the blood drive, visit <https://bit.ly/DNT-BLD>. Registration opens 14 days prior to event.

ABOUT SOUTHEAST GEORGIA HEALTH SYSTEM

Southeast Georgia Health System is a not-for-profit health system comprised of two acute care hospitals, two Cancer Care Centers and multiple specialty care centers, including orthopaedic and spine care, joint replacement, breast care, maternity, outpatient rehabilitation, sleep management and wound care. The Brunswick Campus Cancer Care Center is accredited by the American College of Surgeons Commission on Cancer and is one of the few centers in Georgia to offer CyberKnife® M6 with MLC. Additionally, the Brunswick Campus is accredited by The Joint Commission as an Advanced Primary Stroke Center and the Camden Campus is accredited as an Acute Stroke Ready Hospital. The Southeast Georgia Physician Associates medical group includes more than 190 providers working in 20 different medical specialties at more than 45 locations. The Health System is part of Coastal Community Health, a regional affiliation between Baptist Health and Southeast Georgia Health System, a highly integrated hospital network focused on significant initiatives designed to enhance the quality and value of care provided to our contiguous communities.
