Southeast Georgia Health System Foundation Hosts Lights of Courage Tree-Lighting Ceremony

BRUNSWICK, Georgia: November 4, 2022 – While the holidays often elicit cheer and joy, the season may be a bittersweet time for those who have lost a beloved family member or friend.

To pay tribute to the memories of loved ones, the Southeast Georgia Health System Foundation will hold its annual Lights of Courage tree-lighting ceremony on Thursday, Dec. 8, 6-7 p.m., at the Nunnally House.

During the event, the lights will be lit in memory of loved ones, in honor of family or friends or in recognition of the dedicated caregivers who selflessly cared for them during their time of need. A tree light is the perfect way to pay tribute to a special someone and begin the holiday season.

Community members are welcome to attend the tree-lighting ceremony; tree lights are available for a \$25 donation to the Southeast Georgia Health System Foundation. To purchase a light, contact Krista Robitz, director, Southeast Georgia Health System Foundation, at 912-466-3360 or visit wearethefoundation.org.

All individuals being honored or remembered with a light will be listed in the evening's program. Honorees or their family will be notified of the donation made in their name.

The Nunnally House is located adjacent to the Health System's Brunswick Campus at 3215 Kemble Avenue, Brunswick.

ABOUT SOUTHEAST GEORGIA HEALTH SYSTEM

Southeast Georgia Health System is a not-for-profit health system comprised of two acute care hospitals, two long term care facilities, two comprehensive Cancer Care Centers and multiple specialty care centers, including orthopaedic and spine care, joint replacement, breast care, maternity, outpatient rehabilitation, sleep management and wound care. The Brunswick Campus Cancer Care Center is accredited by the American College of Surgeons Commission on Cancer and is one of the few centers in Georgia to offer CyberKnife® M6 with MLC. Additionally, the Brunswick Campus is accredited by The Joint Commission as an Advanced Primary Stroke Center and the Camden Campus is accredited as an Acute Stroke Ready Hospital. The Southeast Georgia Physician Associates medical group includes more than 160 providers working in 20 different medical specialties at more than 50 locations. The Health System is part of Coastal Community Health, a regional affiliation between Baptist Health and Southeast Georgia Health System, a highly integrated hospital network focused on significant initiatives designed to enhance the quality and value of care provided to our contiguous communities.
