

Shepherd Center Celebrates 4 Years CLABSI-Free – 17,122 Central Line Days and Counting!

Shepherd Center is proud to celebrate a major milestone: **four years CLABSI-free**, totaling **17,122 central line days** without a single central line-associated bloodstream infection (CLABSI).

What's the secret to our success? It's a combination of **strong partnerships**, a commitment to **evidence-based best practices**, and an unwavering **culture of safety**. While we're proud of this achievement, we know the work doesn't stop here. We're continuing to **step up the pace**, maintain momentum, and prioritize **patient safety** every day.

In keeping with our theme of being “on a roll,” we say: ***Laissez les bons temps rouler!*** — Let the good times roll!
