FOR IMMEDIATE RELEASE

LAVONIA, Ga. – November 16, 2026 – St. Mary's Sacred Heart Hospital Auxiliary invites the community to attend the annual lighting of the Love Lights Tree on Monday, Nov. 30, at 5 p.m. in the hospital lobby at 367 Clear Creek Parkway, Lavonia.

"The lighting of our annual Love Lights Tree is a beautiful event for our hospital and our community," said Regina Hooper, St. Mary's Associate Chief Nursing Officer, St. Mary's Sacred Heart Hospital. "We are grateful to our wonderful Auxiliary for all they do to support and elevate the high-level care and higher-level caring we provide for our patients."

Love Lights is a year-round program of St. Mary's Sacred Heart Auxiliary to raise funds that support St. Mary's Sacred Heart Hospital's mission to be a compassionate and transforming healing presence in the communities it serves. Gifts to Love Lights enhance the hospital's continuum of care and provide access to care for the most vulnerable in our communities by making vital healthcare services available to all who need them.

Refreshments will be served starting at 5 p.m. with the program beginning shortly thereafter. This year's program will feature music provided by the Carnesville Elementary School 5th Grade Honor's Choir, a reading of the Christmas story as told in the Book of Luke, the lighting of the tree, and more.

For more information or to make a donation, please visit Sacred Heart's Love Lights | Trinity Health System or call 706.356.7824.
