

Houston Healthcare has been partnering with Central Georgia Technical College (CGTC) to host American Red Cross blood drives in Houston County for over the past year.

There is an urgent need for blood, and that need will only grow through the summer months.

We hope to assist the Red Cross reach a goal of 40 units at each drive.

Your donation could save up to three lives, and you can help your community members, your neighbors, and possibly your own loved ones, by donating the gift of life.

**Give The Gift Of Hope.  
Give The Gift Of Life.**

Register for a blood drive above by going to:

[www.redcrossblood.org](http://www.redcrossblood.org)

Enter your local zip code or sponsor code: **HHC**, and it will give you dates and time to select from that are available. If none are available, please choose another date.

**March 31**

**April 7 | April 28**

**May 12 | May 26**

*From 12 Noon - 5:00 pm*

**Central Georgia Technical College  
Multipurpose Building**

*80 Cohen Walker Drive  
Warner Robins, GA 31088*

HOUSTON HEALTHCARE

**American  
Red Cross**

The CDC encourages people who are well to donate blood if they're able, even if practicing social distancing because of COVID-19. The CDC is supporting blood centers by providing recommendations that will keep donors and staff safe, such as spacing donor chairs six feet apart, thoroughly adhering to environmental cleaning practices, and encouraging donors to make donation appointments ahead of time.
