**MARY LOVETT ANDERSON JOINS NORTHEAST GEORGIA PHYSICIANS GROUP  
PEDIATRICS**

TOCCOA, Ga. – The staff and providers at Northeast Georgia Physicians Group (NGPG) in Toccoa are happy to welcome Mary Lovett Anderson, FNP-C, back to the area to join the practice.

Mary Lovett grew up in Toccoa, graduating from Stephens County High School – where she and her now-husband, Brad, were voted “most spirited” their senior year – and went on to receive her master’s in nursing degree from Troy University in Alabama.

“I’m so excited to come back home to serve the community I grew up in,” says Mary Lovett. “I always felt that I’d end up back in Toccoa, so joining NGPG is a dream come true.”

After receiving her bachelor’s in nursing degree from Columbus State University, Mary Lovett worked as a nurse in the Postpartum/Newborn Nursery Department at Piedmont Columbus Regional Hospital. She then moved to the Pediatric Emergency Department in the same hospital, where she provided nursing care to patients from birth through adolescence, while working toward her master’s degree.

Mary Lovett enjoys traveling to beautiful beaches and being outdoors, but when she’s home, she’s likely on the couch with a good book, some sweets she just baked and her goldendoodle, Oliver.

NGPG Pediatrics provides access to board-certified physicians and nurse practitioners who work together to bring comprehensive, quality care to children. They also focus on providing educational information regarding the health and well-being of those children to parents so they can take charge of their child's health. NGPG Pediatrics in Toccoa is open Monday – Friday, 8 a.m. to 5 p.m. and is located at 274 Big A Road. Call 706-886-8419 to schedule an appointment with Mary Lovett, or visit [ngpg.org/anderson](http://ngpg.org/anderson) to learn more.

NGPG is an affiliate of Northeast Georgia Health System.
