

Qualivis is a national provider of health care workforce solutions that streamline staffing processes for hospitals and health systems. While 2021 offers glimmers of hope, health care staffing will continue to experience challenges. Whether it's planning for seasonal census changes or developing a plan for rate de-escalation, we take a personalized approach to developing a workforce solution to help you fill critical gaps. There is still much work ahead of us, and Qualivis is committed to partnering with you to help navigate the uncertainty that remains. Contact [Terre Love](#) at 310-968-5036 for immediate help with your staffing needs.

These articles, selected from newspapers on Friday, March 26, are intended to feature news about GHA members as well as local and national health care news.
