Southeast Georgia Health System Offering COVID-19 Vaccinations on Saturday, February 27, 8 a.m.-3 p.m.

BRUNSWICK, Georgia: February 24, 2021 – Southeast Georgia Health System has available COVID-19 Pfizer vaccination appointments for Saturday, February 27, 8 a.m. – 3 p.m., at the Brunswick Campus hospital, 2415 Parkwood Drive. Appointments can be scheduled online at sghs.org/covid-19.

Based on guidelines established by Governor Kemp on Dec. 30, 2020, individuals 65 years old and older, their caregivers, health care workers and emergency first responders are eligible to receive the vaccine.

Those receiving the vaccine must be available for a second dose 21 days later. Scheduled individuals must provide a form of identification, and should wear a shirt that provides access to their upper arm. Masks are required when in a Health System facility.

Even after receiving the vaccine, it remains extremely important to continue following safety protocols. Wear a mask, social distance, wash hands frequently and avoid large gatherings. Updated vaccine information is available on the Health System's website at sghs.org/covid-19.

ABOUT SOUTHEAST GEORGIA HEALTH SYSTEM

Southeast Georgia Health System is a not-for-profit health system comprised of two acute care hospitals, two long term care facilities, two comprehensive Cancer Care Centers and multiple specialty care centers, including orthopaedic and spine care, joint replacement, breast care, maternity, outpatient rehabilitation, sleep management and wound care. The Brunswick Campus Cancer Care Center is accredited by the American College of Surgeons Commission on Cancer and offers the only CyberKnife® M6 with MLC technology in Georgia. Additionally, the Southeast Georgia Physician Associates medical group includes more than 140 providers working in 20 different medical specialties at more than 50 locations. The Health System is part of Coastal Community Health, a regional affiliation between Baptist Health and Southeast Georgia Health System forming a highly integrated hospital network focused on significant initiatives designed to enhance the quality and value of care provided to our contiguous communities.
