## Gibbs and Shahan Announced as Volunteers of the Quarter

BRUNSWICK, Georgia: March 26, 2021 – Southeast Georgia Health System Volunteer Services recently announced Robert “Bob” Gibbs as the Brunswick Campus Winter Volunteer of the Quarter and Elizabeth Shahan as the Camden Campus Winter Volunteer of the Quarter.

Gibbs serves in the Volunteer Services office every Tuesday afternoon assembling Patient Education Folders. He also volunteers on additional days when assistance is needed for special projects and events. “Bob has been a tremendous help to us in the Volunteer Services office, especially during the past six months. We are very thankful for his dedication,” says Peggy Tuten, president, Brunswick Campus Volunteer Services.

Volunteering at the Health System is a family affair for Gibbs; his wife, Susan Gibbs, volunteers with the Pet Therapy team. “We’re glad to be able to give back,” says Gibbs.

In his free time, Gibbs enjoys singing with the Golden Isles Community Chorus and road cycling. He has logged thousands of miles on his bike and is looking forward to when he can join friends on another bicycling road trip adventure.

Shahan volunteers at the Camden Campus Guest Services desk every Tuesday afternoon and the COVID-19 Vaccination Clinics on Monday and Friday mornings. “Elizabeth has really stepped up to help in key areas of need over the past five months, and we are very appreciative of her generous spirit and giving personality,” says Deana Belcher, president, Camden Campus Volunteer Services.

In addition to volunteering with the Health System, Shahan also teaches exercise classes at Magnolia Manor in St. Marys. She’s an avid traveler (pre-COVID), and is currently averaging one jigsaw puzzle per week to keep herself busy during the pandemic. In her free time, she enjoys reading and spending time with her husband, Wayne Greenberg, her step-daughter and three grandchildren.

“I love the areas where I currently volunteer, and I’m very happy to be of help,” Shahan says. “Although I do admit that I’m looking forward to resuming my volunteer position at the Emergency Care Center when we finally beat COVID-19.”

More than 250 volunteers generously share their time and talents to assist patients, visitors, and team members at the Southeast Georgia Health System Brunswick and Camden campuses, as well as the

Senior Care Centers in Brunswick and St. Marys. To learn more about volunteer opportunities, contact Kristin Doll, CAVS, director, Volunteer Services, at 912-466-1071 or visit [sghs.org](http://sghs.org).

**ABOUT SOUTHEAST GEORGIA HEALTH SYSTEM**

Southeast Georgia Health System is a not-for-profit health system comprised of two acute care hospitals, two long term care facilities, two comprehensive Cancer Care Centers and multiple specialty care centers, including orthopaedic and spine care, joint replacement, breast care, maternity, outpatient rehabilitation, sleep management and wound care. The Brunswick Campus Cancer Care Center is accredited by the American College of Surgeons Commission on Cancer and offers the only CyberKnife® M6 with MLC technology in Georgia. Additionally, the Southeast Georgia Physician Associates medical group includes more than 140 providers working in 20 different medical specialties at more than 50 locations. The Health System is part of Coastal Community Health, a regional affiliation between Baptist Health and Southeast Georgia Health System forming a highly integrated hospital network focused on significant initiatives designed to enhance the quality and value of care provided to our contiguous communities. In 2020, the Brunswick Campus was rated High Performing in COPD and Heart Failure by the U.S. News & World Report. For more information, visit [sghs.org](http://sghs.org).
