Out of abundance of caution, Phoebe is implementing a masking policy tomorrow morning that requires everyone who enters a Phoebe hospital facility to wear a mask. “Thanks to the amazing work of our teams producing reusable fabric masks, we now have a sufficient supply to institute this new policy.” said Scott Steiner, Phoebe Putney Health System Chief Executive Officer.
All employees, physicians and visitors will be issued a mask prior to entering our hospital facilities and will be required to wear it throughout the day. This added precaution ensures all individuals in our hospital facilities are masked even in common areas. Employees and patients on clinical floors have additional masking requirements; however, we see this step as an extra level of protection for everyone.
